

September Family Project

Dear Families,

In our classroom, we talk about our school family and our home families. Home families are the people who care for us and keep us safe at home (they can include critters too!). Our school family is the people who care for us and keep us safe at school.

As part of our "We Love Our Families" theme week, we will be making a whole class "Home Family Album." Included in this folder are 2 sheets of card stock for your pages to put in our family album. Please use the pages to add photographs or drawings of your family. Please do not use more than the 2 pages I'm sending but you don't have to use both of them. You can add your own stickers, decorations, and/or blurbs to each page.

Each child will have the opportunity to share his or her pages before we put them all together in our album.

Please return your album pages anytime by Tuesday September 29.
Thanks for your help and happy aluming!

Norma Morrison
